Something Special

by Lena Hesse

The little fly, Paul, can do a lot of tricks and he's convinced that he is something really special. When Martha the tortoise gets tired of watching him, Paul suddenly realizes that there might be more important things in life. In this lovable story, the author transports us into the world of two young creatures – one overly confident little fly and a tortoise, quite unaware of her abilities – and shows us that everyone has something special about them. Pay close attention to the adorable illustrations that are full of witty details!

Carter Cat and Dotted Dog

Text by Dagmar Bangert, with illustrations by Sibylle Hammer

Carter Cat and Dotted Dog is a story about two playful pets who, left at home alone, discover the water faucet. Dagmar Bangert's lively tale avoids the moralizing tone that plagues so many children's books. The illustrations by Sibylle Hammer (Arthur and Anthony, Tim's Dream) overflow with expression and perfectly reflect the spirit of the mischievous pets.

The Adventures of Arthur and Anthony!

Welcome to the world of Arthur and Anthony, a raven and a rat who become best of friends. The original story of Arthur and Anthony was the first publication of our company and after twelve years on the market it continues to be one of our all-time best sellers. Sibylle Hammer has a natural ability for story-telling, but it is her illustrations that stun the reader. The beautiful watercolor paintings, adorned by an elaborate splatter technique are full of expression.

Arthur and Anthony

by Sibylle Hammer

In the first volume, we learn how Arthur and Anthony meet and become the best of friends. Arthur is a little raven who is raised by rat parents. When he gets big enough to explore the neighborhood on his own, he heads out thinking he's a rat. Then he meets the rat-kids-gang and their leader Anthony and discovers the hard way that he's different. In the end, his "otherness" turns out to be a plus and the rat kids accept Arthur into their group.

Arthur and Anthony – The Message in a Bottle

by Sibylle Hammer

The adventure continues... In the second story, Arthur and Anthony and the other rat kids are looking for something to do. That's when they notice a bottle floating in the water with a message in it! The message is cryptic and the kids first have to figure out what it means, before they can help the sender. Luckily, lots of really interesting characters in the neighborhood can help.

"Everyone is talented," Miss Waldmann says, but what about Pia? She can't ride horses or do magic tricks. She doesn't know how to play any instruments and she's not very good at sports. But Miss Waldmann is right, and with the help of a new friend, Pia finds her special talent. (44 pages)

The Little Wonder

by Lena Hesse

Neil is stunned when he discovers a small being in the grass, who tells Neil he's a little wonder. But why is the little wonder so sad? Lena Hesse's brilliant story about taking the time to notice the small wonders in life is packed in a lovely tale of compassion. Her illustrations are bright, witty and full of the kinds of details you might miss the first time around. (32 pages)

Be Brave, Kurt!

by Jessica Störmer

Kurt is unhappy. The other kids at school never notice him, even though he keeps trying to do things to impress them. But then one day, when he's doing his own thing, he's suddenly the center of attention...

Jessica Störmer brings us this sweet story that all children can relate to with imaginative illustrations that reflect how Kurt is feeling at each moment. (40 pages)

Just Like Dad

by Lena Hesse and Philipp Winterberg

Ben wants to be like his dad today. But being just like Dad is not so easy. In the spirit of "mimicry is the best form of flattery," Ben imagines his school day as if he were his father going to work. A sweet tribute to working dads. (32 pages)

Edition bi:libri

Mehrsprachige Kinderbücher

Edition bi:libri is a young publishing company specializing in bilingual children's books. We produce high-quality picture books in a wide-range of illustration styles. We carefully select stories that work well bilingually and interculturally. However, most of our stories were originally conceived as monolingual books and could certainly be published that way as well.
